PROJECTS

Online Scoreboard for SCORE

K.J. Somaiya Institute of Technology • July 2023 - December 2023

- Created an online platform displaying the present-day scores of the college's annual sports cultural event, SCORE.
- The main goal is to streamline the scoring procedure while also making scores easily accessible.
- The project eliminated paper and human work that may have been employed elsewhere.

EDUCATION

Bachelor of Technology in Computer Engineering

K.J. Somaiya Institute of Technology • Mumbai, Maharashtra, India • 2026 (Expected)

XII (HSC)

K.J. Somaiya Junior College of Science and Commerce • Mumbai, Maharashtra, India • 2022

X (SSC)

Fatima High School, Vidhyavihar • Mumbai, Maharashtra, India • 2020

INVOLVEMENT

Creative Team Member

K.J. Somaiya Institute of Technology • Student's Council • December 2022 - May 2023

- Organized and executed diverse campus activities, including sports tournaments and cultural events, in collaboration with a dedicated team.
 - Played a pivotal role in creating captivating event spaces and enhancing ambiance, contributing significantly to the success of the college's major cultural event, SURGE, through imaginative stage setups and backgrounds.
 - Demonstrated leadership and teamwork by volunteering as a carrom referee during the SCORE sports event and proactively managing crowd safety and satisfaction at the SURGE cultural event.
-
